ordinarily used as a less formal alternative to the full title (whether held by right or by courtesy) of marquess, earl, or viscount and is always so used in the case of a peerage baron (particularly in the peerage of Scotland, where it remains the only correct usage at all times). Where the name is territorial, the “of” is dropped—thus the Marquess of A. but

Lord A.

**Lord | British title |
Britannica**

A laird is said to hold a lairdship. A woman who holds a lairdship in her own right has been styled with the honorific "Lady".

Although "laird" is sometimes translated as lord and historically signifies the same, like the English term lord of the manor "laird" is not a title of nobility.
