QMAP Verification - Colorado

Students must complete a QMAP training & pass the hands-on practicum and written test. Results are determined same-day. We submit passing students' information to the Colorado State Health Department (CDPHE) within 2 business days of class completion. Students are considered an active QMAP only when their data appears on the CDPHE Official Verification Site. Certificate of Completion is issued by email once CDPHE has indicated that the upload of student information to the database is complete.
