### **Courts and Comparative Law - Comparative Law - Law**

The distinction between international law and comparative law is not just conceptual, but is also of practical importance. Thus, the Constitution determines the "law of nations" which - as Justice Ginsburg puts it - "is the core of what we today call international law" to be binding for U.S. courts while foreign law is not.

**Courts, Law, and Politics in Comparative Perspective ...**

This chapter analyses the courts' use of comparative law. It argues that the mere citing of foreign material in a judgment, report, or argument does not amount in itself to the use of comparative law by a court. Much, of course, depends upon what is meant by 'comparative law'. However if one emphasizes the epistemological dimension of 'comparison' and 'law', then comparative law ...
