### Giving The Love That Heals

While most parenting books advocate for a set of behaviors or reflect a specific branch of psychology (a "one size fits all" approach),"Giving the Love that Heals" gets down to the core root of parenting challenges by looking at the distinctions between developmental stages, what the imperatives are of each stage and how parents are most at risk for "wounding" their child at the same exact stage they themselves were challenged in as children.

### giving the love that heals - bowommy.comprehensivekids.org

Love heals from the inside out. Everything in our lives flows out from within us. Thoughts, feelings, intentions, purposes all come from the inside. Suffering and trauma live on the inside of us silently screaming until they're healed by the source of all Love. God is Love. The way loves heals is powerful, thorough and freeing. Trauma is personal.
