### Nikon D3 Magic Lantern Guides

So having decided to go for a full frame Nikon and after reading hundreds of reviews etc decided to purchase a Nikon D3, and I am very pleased with the camera. However, being a professional piece of equipment and with so many variables that can be programmed in via the extensive menu system the next step was to buy the Magic Lantern book so as to get the best out of the camera.

### Magic Lantern Guides: Nikon D3: Stafford, Simon ...

The Magic Lantern camera guides are usually well written and useful additions to the manufacturers own manuals and the Nikon D3 edition is no exception. It is useful to have expanded descriptions and real world examples to apply to some of the many functions of the D3 if only to re-assure the user that they are getting the best performance out of the camera.
