## **Security Program and Policies: Principles and Practices ...**

In addition, from the beginning, the Social Security program has embodied social insurance principles that were widely discussed even before the onset of the Great Depression. The first four decades of the Social Security program were, in general, ones of expansion. In fact, the program was expanded even before it became truly operational.

## **Social Security: A Program and Policy History**

A security policy is a “living document,” meaning that the document is never finished and is continuously updated as technology and employee requirements change. The security policy translates, clarifies, and communicates the management position on security as defined in high-level security principles.
